

Signalling Campus Freiburg Seminar Series

„Molecular dynamics simulations reveal mechanistic effects of lipids and post-translation modifications on signaling”

Dr. Kristyna Pluhackova

ETH Zürich, Department of Biosystems
Science and Engineering

Tuesday, April 02, 2019

12:00

SR 00.023, Signalhaus,
Schänzlestr. 18, Freiburg

Host: BLOSS, Prof. Dr. Maja Köhn (Institute of Biology III)

Inquiries: christine.ehler@mail.uni-freiburg.de | +49 761 203 97374
