

**Thomas Becker, PD Dr.**

**Institution:** Institute for Biochemistry and Molecular Biology, Faculty of Medicine,  
University of Freiburg

**Contact:** Phone: 0761-203-5243  
E-Mail: thomas.becker@biochemie.uni-freiburg.de

**Position:** Group leader

**Academic education including academic degrees**

1997-2002 Study of Biology, University of Kiel, Diploma

**Scientific graduation**

2013 Habilitation: Biochemistry and Molecular Biology, University of Freiburg, Department of Prof. Dr. N. Pfanner  
2002-2005 Ph.D.: Cell Biology, Ludwig-Maximilians-Universität München, Supervisor: Prof. Dr. J. Soll

**Employment**

Since 2009 Group leader, Institute of Biochemistry and Molecular Biology, University of Freiburg  
2006-2009 Postdoc in the group of Prof. Nikolaus Pfanner, Institute of Biochemistry and Molecular Biology, University of Freiburg  
2005-2006 Postdoc in the group of Prof. Jürgen Soll / PD Enrico Schleiff, Department of Biology I, University of Munich

**Other activities, awards and honours**

2016 – 2019 Member of the managing committee RTG 2202 “Transport across and into membranes”  
2015 – 2018 Project leader in the RTG 2202 “Transport across and into membranes”  
2015 – 2018 Board member of the SFB 746 “Functional specificity by coupling and modification of proteins”  
2014 Helmut-Holzer Research Award from the Scientific Society Freiburg  
2014 Invitation to the selection symposium for the Paul Ehrlich-Ludwig Darmstädter Young Investigator Award  
Since 2012 Project leader in the Excellence Cluster Biological Signalling  
Since 2011 Project leader in the SFB746 “Functional specificity by coupling and modification of proteins”  
2011 Grant, Müller-Fahnenberg Stiftung, Freiburg  
2009-2011 Grant for excellent Postdocs by the Landestiftung Baden-Württemberg  
2006 Ph.D. award of the Munich University Society  
2005 Ph.D. with distinction  
2002 Diploma with distinction
