

Classen, Anne Kathrin Prof. Dr.

German

Institution: Faculty of Biology

Contact: + 49 761 / 203 97190; anne.classen@biologie.uni-freiburg.de

Position: W3 Professorship 'Collective signaling dynamics in multicellular systems'

Academic education including academic degrees

2000-2002 Master of Science (MSc) in Biomolecular Sciences
University of Amsterdam, Netherlands

1997-2000 Bachelor of Science (BSc) in Cell Biology,
University of Manchester, UK

Scientific graduation

2002-2006 Dissertation, Dr. rer. nat. in Biology
Max Planck Institute of Molecular Cell Biology and Genetics and
Technical University Dresden, Germany

Employment

Since 2022 W3 Professorship 'Collective signaling dynamics in multicellular systems', University of Freiburg, Germany

2020-2022 Group Leader, DFG Heisenberg Program, University Freiburg

2017-2020 Group Leader, Boehringer Ingelheim Foundation Plus3 Program
University of Freiburg

2016-2017 Interim Professorship 'Cell Biology', University of Freiburg

2011-2016 Group Leader, DFG Emmy Noether Program
Ludwig Maximilians University Munich, Germany

2006-2011 Postdoctoral fellow, University of California at Berkeley, USA

Other activities, awards and honours

2020 DFG Heisenberg Programme, Germany

2017 Boehringer Ingelheim Foundation Plus3 Programme, Germany

2011 DFG Emmy Noether Programme, Germany

2007 Jane Coffin Childs Memorial Fund for Medical Research Award, USA

2000 Jencon's Prize, University of Manchester, UK

Current Activities

- *Excellence Cluster ,Centre for Integrative Biological Signalling Studies (CIBSS)'* (since 2017)
Executive Board, Career Development Committee Equal Opportunity and Diversity Committee
- *Spemann Graduate School of Biology and Medicine (SGBM)*
Elected Director of SGBM (since 2022) *and* member of the Executive Board (since 2021)
- *Faculty of Biology at the University of Freiburg*
Member of the Faculty PhD Committee (Promotionsausschuss, since 2022)
- *Rectorate of the University of Freiburg*
Appointed member of the university 'Research Strategy Board' (2019-2022)
Member of the work group 'Mission Statement' (Leitbild) (2022-2023)
Member of the work group 'Central Graduate School' (Dachgraduiererschule) (2023)
